## British Horse Foundation Breeders' Awards Dinner Horse & Hound Outstanding Mare Award Nomination Form

At the **21<sup>st</sup> Anniversary British Breeders Awards Celebratory Dinner** on Saturday 13 January 2018, the prestigious Horse & Hound Outstanding Mare Award will be presented to the breeder or associate of the mare who, in the opinion of the relevant equestrian sport discipline, the Awards Committee and Horse & Hound, has made an outstanding contribution to British breeding. Please use this form to nominate a mare, which has produced a British bred foal or foals that has/have gone on to compete at a high level within a sport discipline and/or has attained an excellent sporting record herself. We would also like to know about the competition success of the mare herself and her progeny (if applicable), and if she has not competed, the reason for this. Nominations for deceased mares welcome. Mares nominated previously will need to be re-nominated each year.
