

**Safeguarding Flow Chart for  
Case Management Group**

**Member requests an external investigation from the Case Management group via BEF Safeguarding Officer**

**BEF Safeguarding Officer approaches appropriate members of the Case Management Group with minimal details of the case**

**Case Management Group members respond stating their skills and availability to undertake the case**

**BEF Safeguarding Officer discusses with the Member Body the possible options and who would be best to undertake the investigation**

**Member Body completes a referral form for the Case Management Group and BEF Safeguarding Officer liaises between both parties.**
