How to Download, Complete and Return your Application Form

The application form was created on Microsoft Windows and therefore you will need the required software for PDFs

1. Download the editable PDF document
2. Save the document on your computer and rename it using your full name
3. Complete all required fields by typing into them
4. When the form is completed or if you wish to complete it later you must save the changes before closing the document

Return the following files to Georgie Wheeler at the BEF via email by Tuesday 31st July 2018:

Your completed application form
Your completed CV
Your interview video presentation (via WeTransfer.com)
